

Revised

Professional Engineering Procurement Services (PEPS) Division
Solicitation No. 601CT0000005853
Questions & Answers (Q&A)
Q&A Posting Date: 02/08/2024

| Ref # | Provider Question | TxDOT Answer |
|-------|---|---|
| 1. | Will there be a deputy project manager (DPM) required? If so, does the DPM have to be an employee of the prime provider or can they be a sub provider? | Yes, a Deputy Project Manager (DPM) will be required for this contract. Also, the DPM must be an employee of the Prime Provider. |
| 2. | Can you please confirm the co-located positions? PM and DPM only? | Yes, this contract will require the PM and DPM to be co-located at the Austin District Office. |
| 3. | McGray & McGray Land Surveying, Inc., have been approached by those who intend to PRIME this RFP and asked if we'd be a subconsultant on their team. Can you let me know if we have been precluded or not? | McGray & McGray Land Surveying, Inc. is not precluded from participating in this solicitation. For the full list of precluded firms, please refer to the Pre RFP Presentation. See link below Pre-RFP Meeting - Mobility35 Program General Engineering Consultant Contract - Austin District (txdot.gov) |
| 4. | Work Category 23.9.1 GEC Project Services (Contract Project Manager) primarily pertains to the Design-Build(DB) implementation GEC scope of services. Considering the scope of services for the upcoming M35 GEC, this work category is less applicable, and request it not be required for the Prime firm Project Manager. Is TxDOT requiring that the prime firm project manager have this work category? | Work Category 23.9.1 will be removed from this solicitation. |
